

# episode four

To whom it may concern:

This letter is meant to serve as a glowing recommendation for Nicole Beraud. Nicole and I have worked closely for the past several years in her capacity as a copywriter on our team at Episode Four. Nicole is a fantastic writer who shows enormous enthusiasm for the work and the craft. In her time at Episode Four we have asked her to write everything from campaign concepts to video ads to site copy to banners to cookbooks, and whatever the task, she has always delivered great work with a great attitude. Nicole is also a lovely and considerate person who is a great teammate and colleague. Our company travels together and so I have spent much time on the road with Nicole and have seen this first hand.

I was sorry to lose Nicole when we made changes to our firm's business model, but I hope our paths will cross again in the future. In the meantime I can't recommend her highly enough and hope you can find a role for her on your team.

Sincerely,

Teddy Lynn
